Let us go forth and discover the wisdom to guide us through the uncharted seas of the future. Let us dare to fulfill our destiny.

Each word is separated by a black space or punctuation.

Ray Bradbury, author of *Fahrenheit 451* a book commonly read in high school, helped design the geodesic sphere and the original story for the attraction.

At the end of the attraction, you have the opportunity to create your own future using the touch screen on the ride vehicle. Instead of selecting English, practice your foreign language skills by selecting one of the many foreign language options.
