

Discovery Island Trails

Discovery Island features trails, cave-like tunnels, and underwater viewing areas all ready to be explored. Some of Animal Kingdom's most exotic wildlife can be found hidden among the overgrown vegetation. Have your camera ready because you never know what you'll see next!

Explorer Challenge

In the space next to the number, collect the words in the boxes with the same number. Rearrange the words to learn some interesting animal facts.

1 doesn't	5 crane	4 type	4 parrot.	2 they	3 Tortoises
5 The	2 are	3 can	2 the	5 only	2 because
3 Galapagos	4 a	1 pouch.	3 600 pounds.	4 are	5 tallest
2 food	2 of	5 the	5 the	1 kangaroo	6 stork
1 A	3 weigh	4 of	1 a	6 found	2 pink
6 wood	5 is	6 The	6 stork	2 eat.	6 America.
4 Macaws	1 boy	2 Flamingos	6 is	5 bird.	1 have

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____

As you wind your way around the trails, take a look at The Tree of Life just overhead. How many animals can you find?
